Subject: Letter of Gratitude.

Dear Mam,

For the entire years, I was taken under your wings all for my own good. I was protected & was provided with the best guide that could ever be provided. I am grateful for all the protection given to me. Looking back, I am able to foresee the life that I would be living without the help of Virtase. Being here is one of the best things that has happened.

I know one thing deep in my heart that as long as I breathe, the help that has been provided to me are forever imprinted in my heart. Thank you so much for everything.

Yours faithfully
Kamala
