Subject: Letter of Gratitude

Dear Ma'am,

For the entire years, I was taken under your wings all for my own good. I was protected and was provided with the best guide that could ever be provided. I am grateful for all the protection given to me.

Looking back, I am able to foresee the life that I would be living without the help of Vistare. Being here is one of the best thing that has happened. Being in Vistare, I have got opportunities that a normal child of my age wouldn't imagine. The platforms that has been provided to me is considered as blessing.

I know one thing deep in my heart that as long as I breathe, the help that has been provided to me are forever imprinted in my heart. Thank you so much for everything. All the unconditional love knew no bounds.

Yours sincerely
Sabina Rai
