Subject: Request for approval of voluntary Release

Dear Ma'am

This is to request you to approve my voluntary release from Vistare home, which has been a place filled with hope, love and support. The home where I have lived for 13 years has helped many girls like me gained good knowledge and behavior required for future. I am expecting to be received by my father on 21st June, 2023 taking the full responsibility from the day onwards.

I would like to express my deep gratitude to AEF Vistare Management team for all the opportunities which have made me know who I am, provided me the courage to be independent and hold responsibilities. Equally I am very thankful for teaching me to overcome fear and remain disciplined. I have considered myself as the faithful member of this home and also promise to be in touch with all.

Yours sincerely

Subject: Request for approval to take my daughter home.

Dear Ma'am

With due respect and humble submission, this is to inform you that I wish to take my daughter 'Saraswati Bhujel' on 21st June, 2023. She has been living and educated in this home for 13 years now. I can't find right words to express my thankfulness towards the entire Vistare family for protecting and educating her. It means so much to us. She has become better and strong because of Vistare. Thank you for showing the right path and support and providing what we couldn't.

Without Vistare she would not have been better like she is today. Thanking you from the core of my heart. I am looking forward to getting positive response.

Yours faithfully
Sher Bahadur Bhujel

Subject: Letter of Gratitude

Dear Ma'am

I know the words cannot fully express how thankful I'm really. I would like to let you know that I am very thankful from the bottom of my heart for everything. For the entire 13 years you have been there for me, have fulfilled all my needs and requirements. You have become a teacher, guide, motivator and a mother.

Today, I look back at past and realise that if there wasn't presence of this home, VFGH. I would not be what I am today. Until now, I have learnt plenty of important things, gained knowledge. I, being a daughter of Vistare, will never forget the journey that has led me to present and will remain as a part of this home after I get released from this home. Thank you for everything for the support and unconditional love.

Yours Sincerely
Saraswati Bhujel
